And was sent to segregation with no medicine for over 24 hours were my shoulder and face swelled up badly. #3 warden Donahoe could have had me sent to a hospital to get proper medical treatment. After i was released from segregation i lost my job because i was sent to another pod were inmate pinson # 434686 kept his job, as he was the initiator in the incident both inmates were cellmates and white and are known racist which is why i filed a title VI with the Tennessee Human Rights Commission central office, were they contacted me saying they are investigating this incident.

Both inmates are still at this facility H.C.F and my life can still be in danger. I do believe that inmate vineyard # 508380 tried to kill me and that this facility doe's not care and is trying to cover it all up and that there may be some retaliation from staff after i file this lawsuit. And i feel the main reason for incidents like this has happen to inmates on protective custody is the pods are open from 6AM - 9pm everyday? P.C is suppose to be 22 and 2 lockdown from my understanding?
